The "Power" in Junior Football

- **2013 Rego day** will be on Sunday 17 Feb 2013 – online registrations will be available prior to this. We will organise pre-season training for the competition age groups again this year. More information will follow or stay tuned via www.eastfreopower.com.au.
- **Coaches, assistants and Team Managers** Please refer Daniel Richards for 2013 information and nominations, coaching@eastfreopower.com.au.
- **Thanks to all involved in the 4's carnival**, 12 teams played and a tight result with Booragoon getting over the line on goal countback by 1 goal from Bullcreek and another 2 goals from Rossmoyne. Thanks to the 4's Blues for a great effort in organising and with the canteen.
- **Lighting & clubrooms, oval.** Great result with the new lights operational and funds being raised towards clubroom upgrade. We understand between council and the Junior Cricket Club that the issues involved with the cricket pitch will not appear again due to a management plan being in place. Further we will have our own ground management plan in place in 2013 to attempt to maintain the oval in a more satisfactory manner for the entire 2013 season

As always we welcome feedback and positive suggestions for improvement and look forward to seeing you on Tuesday 11th September.

Regards,
